

	<p>Counterfeit Fraudulent & Suspect Items (CFSI) Policy BAB -PS-POL-55</p>	<p>Policy</p>
---	--	---------------

This arrangement applies to all Babcock Employees
This is a Global arrangement.

1. Purpose

The purpose of this policy is to define how Babcock International Group manage the risk of Counterfeit Fraudulent and Suspect Items (CFSI) from entering their supply chain.

The aim is to establish and maintain robust arrangements and culture, to mitigate the risk of CFSI impacting Babcock International Group, our customers and interested parties.

2. Scope

This document applies to all persons involved in the specification, sourcing, purchase, receipt, inspection, and end users of goods and services within all Babcock International Group of

supply chain.

We will accomplish this by:

- x Ensuring this policy is maintained and available to staff, customers, and other interested parties upon request.
- x Ensuring a Management Representative is appointed with responsibility and authority to ensure arrangements required to manage the risk of CFSI are implemented, report CFSI risks within the company or supply chain and promote awareness of the risk of CFSI.
- x
